There are two types of contests: **Invitational** and **Open**

Open Contest Entries: *(open to all eligible groups)*

Simply click the green **Create New Entry** button above. In the New Entry dialog box, click the drop-down menu of sessions to scroll through and locate your convention. Finally, click the green "Create Entry" button to start your contest entry process.

If you cannot locate your contest session, check with your DRCJ to see if the contest has been opened for entry. Or, if contest entry is now closed (perhaps you missed the entry deadline), you'll need to contact your DRCJ to see if a late entry exception is possible.

Invitational Contest Entries:

You cannot enter this type of contest until your group has been invited (in Barberscore) by the DRCJ. Once invited, you should receive an invitation email, and you will also see a link to your contest session above on this page. Just click that link to start the contest entry process. Otherwise (if there is no link, and you feel your group should have been invited by now), please contact your DRCJ directly.

PLEASE NOTE: On the **Entries** tab, you may see previous contests that you have entered. Also – (if this is an *Invitational* contest) – your Session may already be listed. If so, simply click on that link to edit your entry.
